

SSC NITRILON®

SEAMLESS SAFETY CUFFS

The durable SSC NITRILON® gloves are a great choice in medium risk environments. The oil-resistant Nitrile is strong, flexible and abrasion resistant; coupled with a comfortable Nylon/polyester knitted liner, you can wear them all day. With light cut and heat resistance, and rugged dry grip, these SSC NITRILON® gloves deliver for long term wear.

FEATURES

- Durable smooth finish heavy-weight Nitrile coating
- Integrated cuff makes it easy to remove in an emergency
- Very strong
- Maximum tear resistant
- Special seamless safety cuff construction registered in the EU
